

INFORMATIONS SUR LE DOCUMENT

NE PAS MODIFIER LES DONNEES DONT LES CELLULES NE SONT PAS GRISEES

NE PAS MODIFIER

A Modifier

TODOS	
1	Définir OCP Label
2	Definir taille max et format (1er octet vide+magic number+nom du programme) du nom du programme
3	Definir taille max et format de la partie .info
4	Faire un script de test du compilo (trier champions, un peu de shellsript...) (Une fois qu'on aura qqc a tester :D)
5	Cleanner les Champions et les éléments du sujet Obsoletes
